## Public profile

---

### Profile picture

### Name

Your name may appear around GitHub where you contribute or are mentioned. You can remove it at any time.

### Public email

You have set your email address to private. To toggle email privacy, go to [email settings](#) and uncheck "Keep my email address private."

### Bio

You can [@mention](#) other users and organizations to [link](#) to them.

### Pronouns

### URL

### Social accounts

## Company

You can @mention your company's GitHub organization to link it.

## Location

### ☐ Display current local time

Other users will see the time difference from their local time.

All of the fields on this page are optional and can be deleted at any time, and by filling them out, you're giving us consent to share this data wherever your user profile appears. Please see our [privacy statement](#) to learn more about how we use this information.

Update profile

## Contributions & Activity

### ☐ Make profile private and hide activity

Enabling this will hide your contributions and activity from your GitHub profile and from social features like followers, stars, feeds, leaderboards and releases.

### ☐ Include private contributions on my profile

Your contribution graph, achievements, and activity overview will show your private contributions without revealing any repository or organization information. [Read more](#).

Update preferences

## Profile settings

### ☒ Show Achievements on my profile

Your achievements will be shown on your profile.
